## UK Menopause Nurse Group

The UK Menopause Nurse Group is open to all nurses working in this specialist field and is free to join.

Established as a result of changes within the structure of RCN forums, we work closely with the RCN Women's Health forum as well as independently on specialist projects.

Working primarily electronically, we will keep you informed of events, projects and updates as well as providing email advice when required. To join register your details with Debra Holloway by email: [debra.holloway@gstt.nhs.uk](mailto:debra.holloway@gstt.nhs.uk)
